# ACCOMMODATIONS

Whether you're hosting 20 or 200 out-of-town guests, booking hotel room blocks for your is a crucial step in your planning process—especially if you're hosting a destination wedding.

With us, you'll be able to reserve a block (or group) of rooms for your wedding guests at the same hotel. No one else can book these rooms while they're on hold for your event. It's really a win-win—your guests won't have to endlessly research where to stay for your wedding, and you'll love the convenience of having all of your loved ones at the same hotel.

Here's everything you need to know about booking hotel room blocks for your wedding, from getting started to timing to communicating with your guests.
