INTRODUCING Rules To Lake By®

Whether you live here or come alive here, Lake Tahoe is a place worth protecting. How? By embracing five simple ways to visit the South Shore respectfully, sustainably, and collaboratively. Learn these Rules to Lake By and help us preserve all this awesome for years to come.

- 1 Protect the Awe**
Let's look out for the Lake.
- 2 Be Kind By Nature**
Live with kindness each day, in every way.
- 3 Let's Leave Less**
Let's pick up after ourselves and our pets.
- 4 Park with Heart**
Park properly and share the space.
- 5 Enjoy Tahoe Time**
Practicing patience enriches everyone's experience.

Lodging - Deciding where to stay in Lake Tahoe determines the vibe of your vacation. South Lake Tahoe lodging options are as varied as the mountains themselves. One thing they all have in common is a door that opens to adventure.

Events & Entertainment - Musicians, magicians, comedians, DJs and dancing - not only do we have big name entertainment, but Tahoe is bursting with music and events of all flavors. Scan to explore Altitude & Awe events.

Summer Activities - Whether you're an athletic adventurer eager to mountain bike, hike, or kayak, or your ideal Tahoe time is leisurely beach bum life, reading books and cooling off in crystal blue waters: summer at Lake Tahoe awaits you.

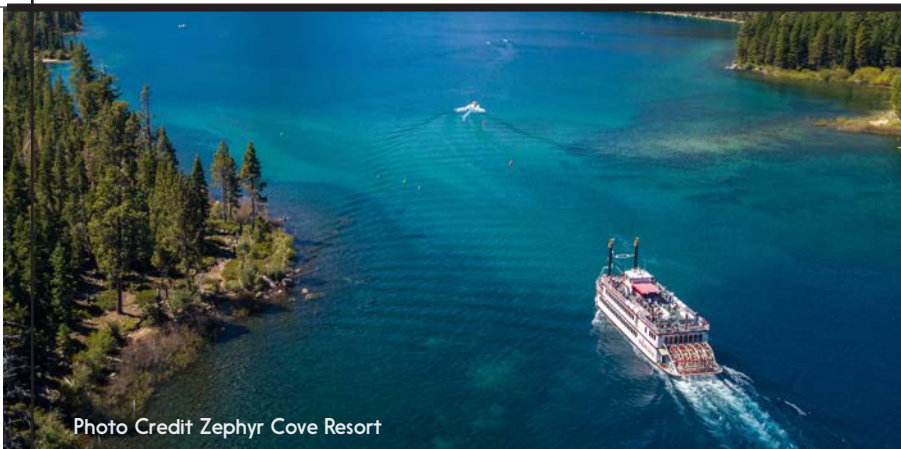

Hiking - South Lake Tahoe boasts an extensive network of walking and hiking trails for every age and ability. Check out Van Sickle Bi-state Park as seen in the photo above, or an easy Rainbow Trail stroll at the Tallac Historic Site.

Dining - Find the best restaurants in South Lake Tahoe to cater to your taste buds. From Hawaiian to Himalayan, our restaurants explode with flavor, so grab a seat, raise a glass, and dig in.

Emerald Bay - Lake Tahoe's crown jewel - an oasis of shimmering greens, turquoise and blues against a strikingly beautiful mountain backdrop on the lake's west shore.

Tours & Attractions - We've got wine tasting cruises on board vintage vessels, day spas, hot springs, horseback riding, clear bottom kayak tours, guided native plants walks, local history talks and the list goes on and on and on.

Biking - Lake Tahoe's south shore is a bike friendly community and safe and family-friendly bike paths are plentiful, as are local bike shops staffed by experts. There are also places to rent e-bikes or take a guided e-bike tour.

Beaches - The South Shore is known for its miles of sandy beaches. From tranquil hidden gems to full-service action, find the beach that best suits you and your crew and possibly your pup too.

Winter Activities - Experience the winter magic by snowboard, skis, snowmobile, snow tube, or simply by making snow angels and chucking snowballs with your people. After all your adventures, cozy up by a fire pit and savor the day.

Weddings - Lake Tahoe is one of the most mesmerizing and picturesque destinations in the world. Celebrate your wedding day by giving your guests the getaway of a lifetime, filled with moments and memories inspired by your love.

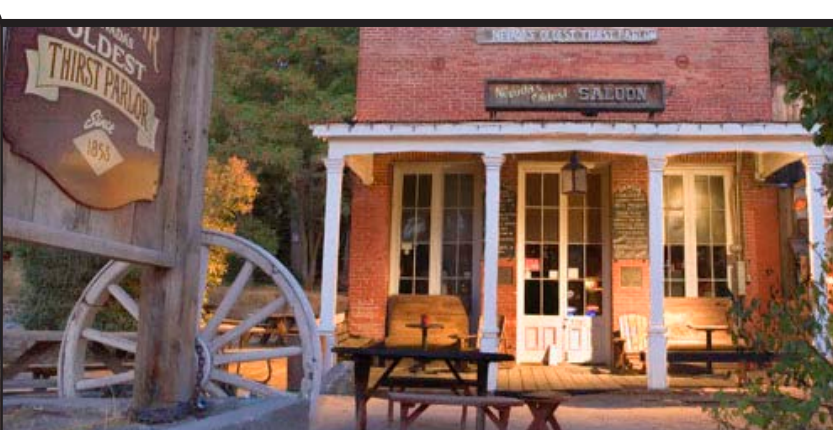

Tallac Historic Site - Step-back in time and stroll through the summer homes and gardens of Lake Tahoe's early vacationers. The Tallac Historic Site offers a variety of public recreation activities. Explore the interpretative trails, mosey along the beach, take a guided tour or attend a special event.

Day Trips - Just over the mountains sits Genoa, home to Nevada's original thirst parlor, the Genoa Bar & Saloon, est. 1851. While you're there, consider stopping by David Wally's Hot Springs or the Mormon Station State Historic Park.

Groups/Meetings - Lake Tahoe's south shore offers a rare blend of excellent meeting facilities, abundant recreational opportunities, and awe-inspiring scenery, coupled with professional business services and friendly mountain hospitality.
